BuildReady™
DesignReady™

THE PLY GEM PROMISE: Ply Gem is a 75-year leader in pioneering performance home exteriors, with a superior warranty for exactly the home you want for decades to come.

The right offering for lasting beauty

When you choose Ply Gem Trim and Mouldings, you get more than an easy install. You get a product that's made to match your desired results. It's an extensive offering that's beautifully constructed and as easy to work with as wood.

What's more, you can forget about costly maintenance. Our cellular PVC products don't absorb moisture so they won't rot, crack or warp. Unlike engineered wood, they don't attract insects and don't contain chemicals like treated wood. And if you decided to paint them, Ply Gem Trim and Mouldings hold paint much better than wood.

Read on to find out how our extensive offering of **BuildReady™** and **DesignReady™** products provides unique solutions for builders and fabricators.
